

Facts about the 15th District PTA Clothing Assistance Program (CAP)

Mission

To reduce absenteeism by ensuring that students have appropriate school clothing. We also provide gently used clothing for all family members.

CAP Staff/Facilities

The program is run entirely by volunteers and has been in existence for almost 40 years. There is a volunteer CAP Director and a daily coordinator who work to assist referred parents. Community and PTA volunteers sort and hang clothes during the year. JCPS provides a spacious warehouse, transportation of donations and more support than can be listed to ensure the continuation of this program

Clothing/Funding

Funding for new clothes comes from cash donations from community members, local PTA units and a generous grant source given to JCPS to combat absenteeism. In order to maintain the success of this program approximately \$80,000.00 is needed.

Gently used clothes come from various sources including drives held by PTAs. We clothe the entire household so we need infant sizes up through Men's and Women's in uniform and non-uniform clothes.

Numbers

Last school year nearly 6000 students were served: during the 2010-2011 school year 7000 students were served. Several reasons account for this increase including the state of the economy, natural disasters this fall and opening up more times and days for referrals at the beginning of the school when the need is greatest.

Referrals/Clients

Students in need of clothes are referred by the school's Family Resource Youth Service Center coordinators or counselors or Neighborhood place coordinators. Appointments are made using an online system allowing the coordinators to make appointments quickly and at any time.

Students in schools requiring uniforms receive 1 new polo shirt and pair of uniform pants. All referred students receive a belt and 5 pairs of socks and underwear. Students and their family members "shop" our family room and take as much clothing as they need for any member of their household.

We also have linens and household items for families that have lost their possessions due to fire, flood etc.

CAP is located at 319 South 15th Street. Going west on Muhammad Ali, take a right onto 15th Street and our entrance is at the end of the football field fencing before the next intersection. If you have any questions contact us at 485-7062 or jcpscap@jefferson.kyschools.us.

Paula Wolf, Director
