

Your school is invited to participate in “Walk to School Day”

Wednesday October 6th!

<http://www.walktoschool.org/>

The goal is to increase the number of students that will walk or bike ½ a mile or more to school on Oct. 6th. For example, encourage drivers to drop their children off a few blocks from the school at designated drop-off spots and schedule volunteers to escort children to the school. For other ideas that include all students (walking/rolling school bus, walk and roll to school parade, etc...) please click [here](#) . Be sure to take photos of your event and take a tally in your homeroom classes of how many students walked ½ a mile or more to school that day. **The class and/or school with the most non-riders will have their photo featured in the Mayor’s Healthy Hometown Newsletter!**

If you are interested in year-round events, please consider implementing “[Safe Routes to School](#)” on your campus.

For more information, please call 502.574.8661 or email stevon.edwards@louisvilleky.gov
